Sir:

STATUS REQUEST

In view of the length of time which has elapsed since a petition to revive the above-identified application was submitted, Applicant(s) hereby request to be informed as to the status of the above-identified application.

A Notice of Allowance for this case was mailed May 21, 2002, providing for a deadline for payment of the issue of the issue fee of August 21, 2002. However this deadline was missed, resulting in the unintentional abandonment of the application. Accordingly, on September 23, 2002, a petition to revive the application was submitted along with both the issue fee and the petition fee. The USPTO received these documents as evidenced by a returned post card. To date, no response from this petition has been received by the Applicants. A copy of the Petition and the Post card are attached for your convenience.

Applicants sincerely apologize for not bringing this apparent oversight to the attention of the Office sooner. In the computerized docketing system we used, the status check was entered as an informational message only, meaning that when the docket of items to be completed was generated, the status check was not included. We have now corrected this situation so that we will be aware of problems such as this more quickly in the future.

Respectfully submitted,

James T. Hoppe
